## Dimensions:

- Basic Black Cardstock: 4 ¼" x 8 7/8" (one piece), 3" x 3" (one piece)
- Whisper White Cardstock: 2 ¾" x 2 ¾" (one piece), 2" x 2" (one piece)
- Barn Red Metal Sheet: 4" x 4" (1 piece)
- Magnet Sheet: 1" x 3 ½" (2 pieces)

**Step 1** Take the 4 ¼" x 8 7/8" piece of Basic Black Cardstock, align the 8 7/8" side along the top of the Paper Cutter, and score at 4 ¼" and 4 5/8".

**Step 2** Take a 4" x 4" piece of Barn Red Metal Sheet, place it inside the Vintage Wallpaper Impressions Folder, and run it through the Big Shot. Take the embossed Barn Red Metal Sheet piece, place Sticky Strip along the back, peel the red film, and attach it to the front of the Post-It Note Holder.

**Step 3** Take a piece of 5/8" Basic Black Satin Ribbon, wrap it around the front of the Post-It Note Holder, tie in a bow, move it to the right hand side, and cut off excess ribbon. Take an Antique Brad, wrap it around the center of the bow, and attach a Rhinestone Jewel to the center.

**Step 4** Take the 2 ¾" x 2 ¾" piece of Whisper White Cardstock and rub over it with the Embossing Buddy.

**Step 5** Take Basic Black Craft Ink and stamp the sentiment "Note" in the lower right hand corner of the 2 ¾" x 2 ¾" piece of Whisper White Cardstock. Stamp the greenery image onto the Whisper White Cardstock with Wild Wasabi Craft Ink. Pour Clear Embossing Powder over the image, remove excess, and set with Heat Tool.

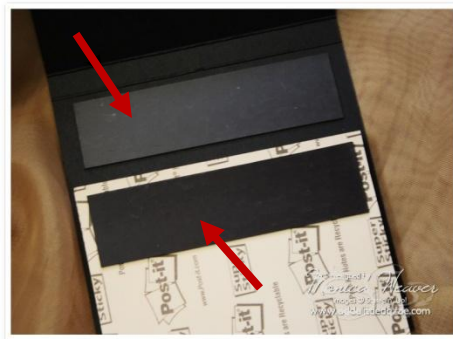

**Step 6** Use Snail Adhesive to attach the 2 ¾" x 2 ¾" stamped Whisper White piece to the 3" x 3" Basic Black Cardstock piece. Place Stampin' Dimensionals along the back and attach to the front of the Post-It Note Holder.

**Step 7** Take a 2" x 2" piece of Whisper White Cardstock, stamp the flower image with Cherry Cobbler Craft Ink, pour Clear Embossing Powder over the image, and set with the Heat Tool. Cut out the flower piece and attach it to the front of the Post It Note Holder with Stampin' Dimensionals.

**Step 8** Place three Rhinestone Jewels underneath "Note".

**Step 9** Take a 1" x 3 ½" piece of Magnet Sheets, peel the White Film, and attach to the inside of the Post It Note Holder (where the Post It Note will be placed). Then, take the second 1" x 3 ½" piece of Magnet Sheet and attach it to the back of the 4" x 4" Post It Note Pad. Place the Post It Note Pad on top of the magnet that is on the Basic Black Cardstock.

**Step 10** You are done!
