Instructions for Beyond the Garden Metal Embossed Mini Note Cards:

Step 1 Take one 2 ½" x 2 ½" piece of Hot Pink Diamond and attach it to a 2 ½" x 2 ½" piece of Sticky Page. Place the assembled piece and two remaining pieces that measure 2 ½" x 2 ½" on top of the corresponding butterfly and run it through the Big Shot.

Step 2 Run all the butterfly pieces through the Big Shot using the Vintage Wallpaper Impressions Folder. Sand all the pieces with the Sanding Block (circular motion) and remove the residue with a Microfiber Cloth.

Step 3 Take the butterfly with the Sticky Page on the back and place E-6000 Glue in the center of the front side. Take the second butterfly and attach it to the center of the butterfly that has E-6000 Glue. Place E-6000 Glue in the center of the butterfly on top and attach the third butterfly.

Step 4 Take a toothpick, dip into Crystal Effects that is poured into a small container, and apply to the center of the butterfly. Use the toothpick to attach the rhinestones. **Note: You must apply Crystal Effects in order for the pieces not to fall off.** Allow the entire piece to dry and pull out the wings.

Step 5 Take a 3" x 6" piece of Rose Red Cardstock, align the 6" side along the top of the paper cutter, and score at 3".

Step 6 Take the 2 ¾" x 2 ¾" piece of Beyond the Garden Designer Series Paper, distress the edges with Rose Red Classic Ink, and attach to the card front with Snail Adhesive.

Step 7 Take the 1 ¾" x 1 ¾" piece of Whisper White Cardstock, place it inside the Vintage Wallpaper Impressions Folder, and run it through the Big Shot. Take the 2" x 2" piece of Rose Red Cardstock and distress the edges with Rose Red Classic Ink.

Step 8 Attach the 1 ¾" x 1 ¾" piece of Whisper White Cardstock to the 2" x 2" piece of Rose Red Cardstock with Snail Adhesive.

Step 9 Peel the red film off the back of the assembled butterfly and attach to the center of the piece assembled in **Step 8**. Place Stampin' Dimensionals along the back of the assembled piece, peel the white film, and attach to the center of the mini note card.

Step 10 Distress the edges of the 2 ¾" x 2 ¾" piece of Whisper White Cardstock with Rose Red Classic Ink, run Snail Adhesive along the back, and attach to the inside of the mini note card.
