Instructions for Hand-Penned Metal Embossed Thanksgiving Card:

Step 1 Take a 4 ¼" x 11" piece of Crumb Cake Cardstock, align the 11" side along the top of the Simply Scored Scoring Tool, and score at 5 ½".

Step 2 Take the 2 ¾" x 4" piece of Spice Cake Designer Series Paper and attach it to the front of the card with Snail Adhesive.

Step 3 Ink the Give Thanks Stamp with Chocolate Chip Craft Ink, stamp the image on the card front, pour Clear Embossing Powder over the image, remove excess, and set with the Heat Tool.

Step 4 Ink the leaf stamp from the Day of Gratitude Stamp Set with Versa Mark Ink and stamp randomly on the upper section of the card front

Step 5 Take a Stamping Sponge and distress all the edges of the card with Soft Suede Classic Ink.

Step 6 Take the 20" piece of Always Artichoke ½" Seam Binding and tie in a bow around the card front and cut off excess ribbon.

Step 7 Take the Sticky Sheet piece and attach it to the Crumb Cake Cardstock piece. Peel the red film and attach the Gold Nugget piece to it. Follow the same steps for the Barn Red Metal Sheet, Cherry Cobbler, and Sticky Sheet pieces.

Step 8 Take the pieces assembled in **Step 7**, place them (metal side down) on the corresponding leaf of the Leaves #2 Die, and run them through the Big Shot. Place both pieces inside the Vintage Wallpaper Impressions Folder and run them through the Big Shot.

Step 9 Punch a hole in the top of the leaves with the Crop-a-Dile, run a Wine Charm through the center, and attach to the bow. Cut off the top of the stems so it doesn't show at the top of the bow. Place a Mini Glue Dot under the bow to hold it in place.

Step 10 Take the 4" x 5 ¼" piece of Very Vanilla Cardstock, stamp it with the image of choice, pour Clear Embossing Powder over the image, remove excess, and set with the Heat Tool. Use Snail Adhesive to attach to the inside of the card.
