## Instructions for Northern Frost Metal Embossed Kraft Gift Box:

**Step 1** Take the 2 1/8" x 3 1/4" pieces of Scarlet Red Metal Sheets, place them inside the Snow Burst Impressions Folder, and run them through the Big Shot. Place Sticky Strip along the four walls of each piece and attach them to the 2 1/4" x 3 3/8" pieces of Brushed Gold Cardstock. Follow these same steps for the 3 1/4" x 3 1/4" piece of Scarlet Red Metal Sheet and the 3 3/8" x 3 3/8" piece of Brushed Gold Cardstock.

**Step 2** Place Sticky Strip along the back of all the pieces and attach them to the Kraft Box.

**Step 3** Take the 2 1/2" x 2 1/2" piece of Sticky Sheet and attach it to the back of the Scarlet Red Metal Sheet piece. Peel the red film and attach it to the center of the 2 7/8" x 2 7/8" piece of Brushed Gold Cardstock.

**Step 4** Take the 2 1/2" x 2 1/2" piece of Silver Glimmer Paper, place it on the Northern Frost Decorative Strip, and run it through the Big Shot back and forth 4 times. Place 2-Way Glue along the back of the Snowflake and carefully attach it to the piece in Step 3. Flip the piece over and go over it with the Brayer. Allow the piece to dry.

**Step 5** Take a toothpick and apply drops of Crystal Effects around the snowflake and attach Rhinestone Jewels. Take the Clear Rhinestone Brad out of its casing and attach it to the center of the snowflake with Crystal Effects. Allow the piece to dry and place Stampin' Dimensionals along the back of the assembled piece.

**Step 6** Wrap the 5/8" Old Olive Satin Ribbon around the box (with the two ends meeting at the opening of the box), tie in a bow, and cut off excess ribbon.

**Step 7** Take assembled piece in Step 5, peel the Stampin' Dimensionals, and attach to the center of the box.

**Step 8** Place your gift inside the box.
