Instructions for Love & Laughter Double Z-Fold Metal Embossed Card:

Step 1 Take each 5 ½" x 8 ½" piece of Basic Black Cardstock, align the 8 ½" side along the top of the Simply Scored Tool, and score at 2 1/8" and 4 ¼".

Step 2 Run Snail Adhesive along the back of the 4 ¼" section and attach to the 4 ¼" section of the second piece. Go over each section with the Bone Folder.

Step 3 Attach all pieces in their corresponding place on the card. Wrap a 24" piece of Black Satin Ribbon around the center of the card and tie in a bow on the right hand side of the card.

Step 4 Take the Framelit (from the largest down 3rd frame), place it on Rock Star Black Metal Sheet piece, and run it through the Big Shot. Place the piece inside the Vintage Wallpaper Impressions Folder and run it through the Big Shot.

Step 5 Take the corresponding Framelit (from the largest down 4th frame). Place it on the 3" x 4" piece of Whisper White Cardstock and run it through the Big Shot. Place it inside the Vintage Wallpaper Impressions Folder and run it through the Big Shot. Place Stampin' Dimensionals along the back of the Whisper White piece and attach to the center of the Black Metal Embossed Framelit. Place Sticky Strip along the left half side of the Rock Star Black Metal Embossed Framelit piece and attach it to the front panel of the card. If you want, you can cut a small section with your circle punch to enable the bow to be further away from the edge of the card. **(Make sure to watch video for demonstration).**

Step 6 Rub the Embossing Buddy over the 3" x 4" piece of Whisper White Cardstock, ink the wedding dress stamp with Basic Black Craft Ink, stamp the image, pour Black Embossing Powder over image, remove excess, and set with the Heat Tool. Cut out the image. Make sure to cut off the hanger. Place Stampin' Dimensionals along the back of the piece and attach to the Whisper White Framelit. Attach three medium sized pearls to the dress to create a band around the waist.

Step 7 Follow the same process as in Step 6 to stamp the sentiment. Use the 2" x 2 ½" piece of Whisper White Cardstock. Punch out the sentiment with the Oval Punch, distress edges, and attach the three small pearls. Place Stampin' Dimensionals along the back and attach to the card front.

Step 8 Take the 1 ¼” Circle Punch and punch out a circle from Cherry Cobbler Cardstock. Cut the circle in a spiral. Take the Stylus and start rolling in and wrapping it around itself until you have run out of cardstock. Attach the end with a Mini Glue Dot and attach the flower to a ½” cardstock circle. Place a pearl in the center and attach to the card front.

Step 9 Take the 2 ¾” x 3 ¾” piece of Whisper White Cardstock and attach it to the 3” x 4” piece of Basic Black Cardstock. Use Basic Black Classic Ink and stamp the sentiment in the center. Run Snail Adhesive along the back and attach to the inside of the card.

Step 10 Create an envelope using the tutorial “**DIY Envelope and Homemade Envelope Glue Tutorial**”. This tutorial can be found at www.addalittledazzle.com in the April 2012 archives.
