## Instructions for Make It Manly Online Class Preview Series: You Go Grad Metal Embossed Card & Gift Box:

**Step 1** Take the Bronzed God Metal Sheet pieces, place them inside the Stripes Impressions Folder, and run them through the Big Shot. Place Backing Paste along the back of the pieces and allow them to dry for about 20-30 minutes. Place Sticky Strip along the back of the 3" x 4 1/16" piece and attach it to the upper half of the 4" x 5 ¼" piece of Basic Black Card Stock. Take the 2 ¾" x 4" piece of Mocha Morning Specialty Designer Series Paper and attach it with Snail Adhesive to the lower half of the card front.

**Step 2** Wrap and attach the 6" piece of Basic Black Satin Ribbon around the card front. Pierce a hole on each side of the ribbon and attach the Gold Brads. Run Snail Adhesive along the back of the assembled piece and attach it to the card base. Attach the 4" x 5 ¼" piece of Whisper White Card Stock to the inside of the card. Attach the 2 ¾" square piece of Whisper White Card Stock to the 3" square piece of Basic Black Cardstock. Cut out the sentiment and attach to the center with Stampin' Dimensionals.

**Step 3** Place the 5 ½" x 6 ½" and 3 ¼" x 6 ¾" pieces of Basic Black Cardstock on the Matchbox Bigz L Die, cover with the Premium Crease Pad, and run it through the Big Shot. Place Sticky Strip on the two long sides of the box, peel the red film, and assemble the box. Take the 1 7/8" x 2" piece of Bronzed God Metal Sheet and attach it to the inside of the box.

**Step 4** Go over all the creases of the Basic Black Card Stock sleeve, apply a strip of Sticky Strip along the small flap, peel red film, and assemble the sleeve. Place the box inside the sleeve and place Sticky Strip along the top of the sleeve.

**Step 5** Take a 3" x 5" piece of card stock, score the 5" side at 2 ½" and fold it in half.

Wrap the Embroidery Thread around the card stock 25 times. Then, take a piece of embroidery thread and tie it around the top of the Embroidery Thread (closed side of the card stock) and tie in a knot. Cut the Embroidery Thread at the bottom to create the tassel. Take an extra piece of Embroidery Thread and wrap it around the top to create the head of the tassel and cut off excess. Take the 2 ¾" square piece of Basic Black Card Stock, pierce a hole through the center, run the tassel through the hole, adjust the length, and attach to the back with adhesive tape. Run a Black Glimmer Brad through the center. Attach this piece to the 3" square piece of Basic Black Card Stock with Stampin' Dimensionals. Peel the red film from the box and attach the tassel piece to the top of the box. Take bills, roll them like diplomas, and adhere with a small piece of adhesive tape.
