Instructions for Snow Flurry Metal Embossed Sour Cream Container:

Step 1 Paint the inside of the toilet paper roll with Silver Acrylic Paint. Take the 4" x 6" and ½" x 6" piece of Ocean Blue Metal Sheet, place it inside the Lacy Brocade Impressions Folder and run it through the Big Shot. Sponge paint the metal sheet piece with Silver Acrylic Paint and set with Heat Tool. Place Sticky Strip along the back and attach it to toilet paper roll. Squeeze one of the ends together and apply a thin amount of Hot Glue to secure the end. Place Sticky Strip along the back of the ½" x 6" piece and wrap it around the bottom of the container as shown in the video.

Step 2 Take each the 2" square piece of Whisper White Card Stock, stamp it with the Merry Christmas sentiment, and die cut the piece using the Bitty Banners Framelits.

Step 3 Take the Silver Glimmer Paper, place it in the Snow Flurry Die, and run it through the Big Shot. Assemble the snowflake with Hot Glue. Assemble the bottle cap with mirror and attach it with Hot Glue to the center of the snowflake.

Step 4 Wrap the silver tulle around the container and tie left over right. Do not make a knot. Place Hot Glue in the center and attach the Snowflake created in Step 3. Attach the banner onto the tulle with a small dot of Hot Glue.

Step 5 Place filling inside the container and place Chocolate Kisses inside. You are done!
