## Instructions for Countryside Father's Day Metal Embossed Easel Card:

**Step 1** Score the 5 ½" x 8 ½" piece of Night of Navy Card Stock at 2 1/8" and 4 ¼" along the 8 ½" side. Run Snail Adhesive along the lower section of the front panel and attach the 4 ¼" x 5 ½" piece of Night of Navy Card Stock. Take the 4" x 5 ¼" piece of Chocolate Chip Card Stock and distress the edges with the Distressing Tool found in the Cutter Kit. Run Snail Adhesive along the back of the piece and attach it to the front of the card.

**Step 2** Take the 2" x 5" and 1 ¼" x 5 ¼" pieces of Brushed Bronze Metal Sheets, place them inside the Square Lattice Impressions Folder, and run them through the Big Shot. Place Sticky Strip along the back of the 2" x 5" piece, center it, and attach it to the Chocolate Chip Card Stock. Save the 1 ¼" x 5 ¼" piece for later.

**Step 3** Run Snail Adhesive along the back of the 2" x 5 ¼" piece of Well Worn Designer Series Paper and attach it to the 2 ¼" x 5 ¼" piece of Night of Navy Card Stock. Wrap Linen Thread around the piece and secure with tape on the back. Place Sticky Strip along the back and attach to the lower section of the card.

**Step 4** Stamp the image with Early Espresso Classic Ink onto a 2 ½" x 3 ½" piece of Very Vanilla Card Stock. Stamp with sentiment on the lower right hand corner. Spritz with the Chocolate Chip Stampin' Write Marker and distress the edges with Chocolate Chip Classic Ink. Lightly outline the grass with the Old Olive Stampin' Write Marker and lightly blend with the blender pen. Pierce three holes in the upper right hand corner with the Paper Piercing Tool and Mat Pack and run three brads through the hole. Attach the assembled piece to the 2 ¾" x 3 ¾" piece of Cajun Craze Card Stock.

**Step 5** Place Stampin' Dimensionals along the back of the piece assembled in Step 4 and attach to the 3" x 4" piece of Chocolate Chip Card Stock. Place Sticky Strip along the back of the piece and attach to the front of the card.

**Step 6** Take the 1 ¼" x 5 ¼" piece of Brushed Bronze Metal Sheet from Step 2, place Sticky Strip along the back, and attach to the 4" x 5 ¼" piece of Very Vanilla Card Stock. Run Snail Adhesive along the back and attach to the inside of the card. Take the 2 ½" square piece of Outrageously Orange Metal Sheet, place it inside the Live Every Moment Embosslit Die and run it through the Big Shot. Use the Sanding Block to sand the image. Remove residue, apply Stampin' Dimensionals to the back of the piece and attach in the center of the Brushed Bronze Metal Strip found inside the card.
