Instructions for Dapper Dad Masculine Card:

Step 1 Take the 4 ¼" x 11" piece of Early Espresso Card Stock and score the 11" side at 5 ½". Take the 4" x 5 ¼" piece of Well Worn Designer Series Paper and sponge the edges with Early Espresso Classic Ink. Take the Distressing Tool and distress the four sides of the patterned paper. Pierce three holes in the upper right hand of the Well Worn Designer Series Paper with the Essentials Paper-Piercing Pack and Paper-Piercing Tool. Run a Metallic Brad through each hole. Run Snail Adhesive along the back and attach to the card front.

Step 2 Stamp the sentiment on the 1" x 3" piece of Very Vanilla Card Stock with Early Espresso Classic Ink and cut down to size. Distress the edges with Early Espresso Classic Ink and go over the piece with the Distressing Tool. Run Snail Adhesive along the back and attach to the card front.

Step 3 Take the Brushed Bronze Metal Sheet piece, place it inside the Argyle Impressions Folder, and run it through the Big Shot. Place Sticky Strip along the four walls of the back of the piece and attach it to the 2" x 4" piece of Early Espresso Card Stock. Wrap Linen Thread around the assembled piece and attach with adhesive to the back of the piece. Place Sticky Strip along the four walls and attach to the card front.

Step 4 Take the Dark Rich Chocolate Metal Sheet and place the 3rd oval framelit on top (smallest to largest) and run it through the Big Shot. Place the oval piece inside the Lacy Brocade Impressions Folder and run it through the Big Shot. Place Stampin' Dimensionals along the back and attach it to the card front.

Step 5 Take the 3" x 4" piece of Very Vanilla Card Stock and place the 2nd oval framelit on top (smallest to largest) and run it through the Big Shot.
