Instructions for Hearts of Flutter Metal Embossed Card:

Step 1 Take the two pieces of 4" x 5 ¼" Crumb Cake Card Stock and attach them to each other with Snail Adhesive. Place this piece inside the Lacy Brocade Impressions Folder and run it through the Big Shot. Distress the piece with Crumb Cake Classic Ink. **Note: This will help create a sturdier piece. Due to the intricacy of the embossing, one piece will become very thin.**

Step 2 Take a piece of lace from the Artisan Embellishment Kit and wrap it around the card front and attach the ends to the back of the card. Place Stampin' Dimensionals along the back of this assembled card stock piece and attach it to the front of the 4 ¼" x 11" piece of Crumb Cake Card Stock.

Step 3 Stamp the 3" square piece of Pool Party Card Stock with the heart. Pour Clear Embossing Powder over the image, remove excess, and set with the Heat Tool. Place the corresponding Heart Framelit over the stamped image, place a Sticky Note on top (to hold in place), and run through the Big Shot.

Step 4 Place the 3" piece of Rustic Red Metal Sheet inside the Lacy Brocade Impressions Folder and run it through the Big Shot. Punch out the piece with the Heart Punch. Place Stampin' Dimensionals along the back and attach to the stamped Pool Party heart.

Step 5 Run Linen Thread through the button from the Artisan Embellishment Kit and attach it to the metal embossed heart with a Mini Glue Dot. Distress the edges of the ticket from the same kit, place Stampin' Dimensionals along the back, and attach it to the card front.

Step 6 Attach the 4" x 5 ¼" piece of Very Vanilla Card Stock to the inside of the card and stamp with the sentiment of choice.
