Instructions for Print Poetry Designer Series Paper Pack: Thinking of You Card:

Step 1 Attach the 4" x 5 ¼" piece of Designers Series Paper to the front of the card with Snail Adhesive.

Step 2 Emboss the 2" x 5 ¼" piece of Brushed Bronze Metal Sheet with the Lacy Brocade Impressions Folder. Place Sticky Strip along the back and attach to the 2 ¼" x 5 ¼" piece of Primrose Petals Card Stock. Run Snail Adhesive along the back and attach to the card front.

Step 3 Attach the 3" x 4" piece of Designer Series Paper to the 3 ¼" x 4 ¼" piece of Primrose Petals Card Stock. Place Stampin' Dimensionals along the back and attach to the card front.

Step 4 Ink the Apothecary Image with Basic Black Classic Ink and stamp it on the 3" x 4" piece of Watercolor Paper. Take the corresponding Framelit (from the largest down 4th frame), place it over the stamped image, and run it through the Big Shot. Use Primrose Petal Classic Ink and Old Olive Stampin' Write Marker to color in the images and blend it with the Blender Pen. Attach the Pearls as shown, place 2-Way Glue over the flowers, and sprinkle with Dazzling Diamonds. Remove excess Dazzling Diamonds. Distress the edges with Soft Suede Classic Ink.

Step 5 Take the corresponding Framelit (from the largest down 3rd frame). Place it on the 4" x 5" piece of Watercolor Paper and run it through the Big Shot. Take this bigger frame, place it inside the Lacy Brocade Impressions Folder, and run it through the Big Shot. Distress the edges with Soft Suede Classic Ink.

Step 6 Place Stampin' Dimensionals along the back of the stamped image piece and attach it to the top of the larger label. **Note: I stacked the Stampin' Dimensionals to create more height.**

Step 7 Stamp the sentiment on the 1 ½" x 4" piece of Watercolor Paper, cut it out, and attach it to the center with Stampin' Dimensionals. Attach the 4" x 5 ¼" piece of Very Vanilla Cardstock to the inside of the card.
