Instructions for Lacy Brocade Double Embossing Techniques Mini Notebook:

Step 1 Take the 4" x 7" Add a Little Dazzle Metal Foil Tape Sheet, place it inside the Lacy Brocade Impressions Folder, and run it through the Big Shot.

Step 2 Place the Big Shot embossed Metal Foil Tape Sheet on a Standard Cutting Pad (must not have any marks on it). Take the Pointed Refiner (**found in Add a Little Dazzle Tool Kit**) and draw swirls in the flattened areas of the Lacy Brocade design. Do this to the entire piece.

Step 3 Rub Black Scuff Mark Polish on the embossed piece and remove excess with a paper towel.

Step 4 Peel the white film off the back of the Metal Foil Tape Sheet and attach it to the mini notebook. Cut off excess with scissors.

Step 5 Secure the edges of the notebook by going over them with a Bone Folder.

Step 6 Tie a piece of Black Satin Ribbon around the notebook flap and tie in a bow.
