Instructions for Thanksgiving Metal Embossed Card:

Step 1 Emboss the 4" x 5 ¼" piece of **Golden Glimmer Craft Metal Sheet** and go over the embossed areas with the Timber Brown StazOn Ink. Wrap the Burlap Ribbon around the center of the embossed craft metal sheet, secure it in the back, and place Sticky Strip along the four walls. Peel the red film and attach to the card front.

Step 2 Emboss the 3" x 4" piece of Very Vanilla Card Stock and attach it to the 3 ¼" x 4 ¼" piece of Crumb Cake Card Stock. Attach to the center of the card front with Stampin' Dimensionals.

Step 3 Place the craft metal sheets on the corresponding leaves of the die and run through the Big Shot. Emboss the leaves with Impressions Folder of choice. Sand the **Outrageously Orange** leaf, distress the **Golden Glimmer** leaf with Timber Brown StazOn Ink, and distress the **Polished Purple** leaf with Gold StazOn Ink. Attach the leaves to the card front with Hot Glue.

Step 4 Stamp the image on the 3" square piece of Very Vanilla Card Stock, pour Embossing Powder over image, remove excess, and set with the Heat Tool. Punch out the image with the coordinating punch and attach to the card front with Stampin' Dimensionals.

Step 5 Attach the Very Vanilla Card Stock piece to the inside of the card.
