Instructions for Hello Lovely Faux Patina Metal Embossed Card:

Step 1 Watch instructional video to learn how to create the Faux Patina Technique on **Dark Chocolate Craft Metal Sheet**. Then, place Sticky Strip along the four walls, peel the red film, and attach them to the corresponding Early Espresso Card Stock pieces.

Step 2 Wrap Linen Thread around the 3" x 4" assembled piece from Step 1.

Step 3 Distress the Venetian Romance Designer Series Paper with Vintage Photo Distress Ink and distress the edges with the Distressing Tool. Attach piece to the card front with Snail Adhesive.

Step 4 Stamp the sentiment on the 2" square piece of Very Vanilla Card Stock, pour Early Espresso Embossing Powder over the image, remove excess, and set with the Heat Tool.

Step 5 Cut out the image and place a small amount of Snail Adhesive on the back. Attach it to the Early Espresso Card Stock piece and cut around it to create a frame. Then, remove the stamped image from the piece, place Stampin' Dimensionals along the back, and attach it to the Early Espresso piece you cut out. Place Stampin' Dimensionals along the back of the assembled piece.

Step 6 Place Sticky Strip along the back of the 2" x 5 ¼" piece assembled in Step 1 and attach it to the card front. Take the 2nd piece assembled in Step 1, place Stampin' Dimensionals along the back and attach it on the card front.

Step 7 Attach the sentiment to the card front with Stampin' Dimensionals.

Step 8 Attach the 4" x 5 ¼" piece of Very Vanilla Card Stock piece to the inside of the card.
