- **Brushed Bronze Craft Metal Sheet:** 4 ½" x 5 ½" (4 pieces)

Instructions for Swirls Metal Embossed Luminaria:

Step 1 Take the 5 ¼" x 8 ½" piece of Vellum Card Stock, align the 8 ½ side along the top of the Paper Trimmer and score at 4 1/8" and 8 ¼". Follow this step for both Vellum Card Stock pieces.

Step 2 Place a piece of **Scor-Tape** along the ¼" flap of each Vellum Card Stock piece and attach a flap on a non-flap side until you luminaria.

Step 3 Attach the 4 ½" x 5 ½" piece of **Adhesive Sheet** to the aluminum side of each **Brushed Bronze Craft Metal Sheet** piece.

Step 4 Place the Metal Shim on top of the cutting plate that is on the closed Multipurpose Platform. Place the Cutting Plate facing up and then place the metal sheet piece from Step 1 on top (color side facing down). Then, place the second Cutting Plate on top and run it through the Big Shot.

Step 5 Remove all excess pieces from the die cut piece, peel the adhesive film, and attach the piece to one of the panels. Then, go over it with the Brayer to ensure it is attached securely.

Step 6 Follow the same process until you have covered the four panels.

Step 7 Place the Glass Candle Jar or Battery Operated Candle in the center of the luminaria.
